

Nomination for Golden Acorn Award

Each year the PTA presents a Golden Acorn Award to a person who has provided exemplary volunteer service to the children and PTA at Wade King Elementary. The Golden Acorn Award is very special and is given for continued and dedicated service. This is an excellent way to honor volunteers for their contributions to this school.

When we present a Golden Acorn Award the individual is given a gold pin in the shape of an acorn and a special certificate. Their name is engraved on an acorn plaque that honors all the recipients of the award for years to come. We also contribute \$65 in the recipients name to the Washington State PTA Financial Grant Foundation. This foundation provides scholarships each year totaling \$55,000 to high school graduates entering their freshman year at college, university, or vocational school.

We would like you to participate in the selection of our award recipient through your recommendations. Our Golden Acorn committee will make the final selection. Please fill out this form and return it to the office by May 3rd. If you have any questions regarding the Golden Acorn Award please contact Alyssa Johnson at lyster68@hotmail.com or call 392-8265.
